Sommario/riassunto	This volume brings together a selection of current strategies in the studying of English as a Second Language (ESL) and English as a Foreign Language (EFL) from the perspectives of modern linguistic theory and praxis. Educators from various different countries examine current methods of English language learning in a global environment in which it has become a contemporary lingua franca. Several chapters in the book are taken from the session ""ESL Studies"" held at the 111th PAMLA (Pacific Anc...
