Nota di contenuto	Cover -- CONTENTS -- EDITORIAL ADVISORY BOARD -- Workaholism in organizations: new research directions -- The workaholism phenomenon: a cross-national perspective -- Workaholic, or just hard worker? -- Workaholic worker type differences in work-family conflict -- Profiles of workaholism among high-tech managers -- Workaholism, organizational life and well-being of Norwegian nursing staff -- On the vicissitudes of the study of workaholism: a construct at a crossroad -- Awards for Excellence -- Call for papers.
Sommario/riassunto	An international collection of papers on the topic. The editors and authors explain the need for more research on the topic. An interesting and useful addition to a special issue is the Epilogue which both comments on the special issue itself and clearly explains the research implications and future directions.
