Sommario/riassunto

Scholarly interest in intertextuality remains as keen as ever. Armed with new questions, interpreters seek to improve their understanding of the function of older scripture in later scripture. The essays assembled in the present collection address these questions. These essays treat pre-Christian texts, as well as Christian texts, that make use of older sacred tradition. They analyze the respective uses of scripture in diverse Jewish and Christian traditions. Some of these studies are concerned with discreet bodies of writings, such as the Dead Sea Scrolls, while others are concerned with vers
