Sommario/riassunto	From the artistic genius to the tarot reader, a sense of communication with another order of reality is commonly affirmed; this 'other' may be termed god, angel, spirit, muse, daimon or alien, or it may be seen as an aspect of the human imagination or the 'unconscious' in a psychological sense. This volume of essays celebrates the daimonic presence in a diversity of manifestations, presenting new insights into inspired creativity and human beings' relationship with mysterious and numinous dimensions of reality. In art and literature, many visual and poetic forms have been given to the daimonic
