Sommario/riassunto	This is a complete and easy-to-use guide for reading and writing Chinese characters. Learning written Chinese is an essential part of mastering the Chinese language. Reading & Writing Chinese places at your fingertips the essential 1,725 Chinese characters' up-to-date definitions, derivations, pronunciations, and examples of correct usage by means of cleverly condensed grids. Newly updated and revised, these characters are the ones officially prescribed by the Chinese government for the internationally recognized test of proficiency in Chinese, the Hanyu Shui
