

1. Record Nr.	UNINA9910813889803321
Titolo	Liberty and research and development : science funding in a free society // edited by Tibor R. Machan
Pubbl/distr/stampa	Stanford, California : , : Hoover Institution Press, , 2002
ISBN	0-8179-2948-7
Descrizione fisica	1 online resource (140 p.)
Collana	Hoover Institution Press publication ; ; 506 Philosophic reflections on a free society
Altri autori (Persone)	MachanTibor R
Disciplina	338.973/06
Soggetti	Federal aid to research - United States Research - Finance
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction: Some skeptical reflections on research and development / Tibor R. Machan -- Arguments concerning government's investment in research / Oliver Mayo -- The limits of government-funded research: what should they be? / R. Paul Drake -- Federal support of research and development in science and engineering / Michael W. Blasgen -- Scientific research in a free society: some reflections / Eleftheria Maratos-Flier.
Sommario/riassunto	The contributors to this volume explore the implications of government funding of scientific research and offer alternatives to the heavy reliance on government support that research and development (R&D) currently enjoys. Each author squarely confronts the problems arising from the idea that government funding of R&D is and ought to be the norm.
