Sommario/riassunto	Warsaw has an unenviable reputation in the minds of many: often invoked as the epitome of the brutal environment produced by Soviet aesthetics and planning, its name conjures up a grey, faceless world of tower blocks and Orwellian governmental buildings; its image - perhaps more so than that of any other city in the former Soviet block - inextricably tied to the fate of the Communist system. Warsaw appears to have been locked in the vice of history - crushed by one totalitarian system, remade by another, only now being liberated by market forces. The history of this power play is only one of
