Sommario/riassunto

A one-stop resource for understanding current International Financial Reporting Standards As the International Accounting Standards Board (IASB) makes significant strides in achieving global convergence of accounting standards worldwide, the International Financial Reporting Standards (IFRS) become extremely important to the accounting world. Wiley IFRS 2011 provides the necessary tools for understanding the IASB standards and offers practical guidance and expertise on how to use and implement them. Covers the most recent International Financial Reporting Standards (IFRS)
