Constructing Democracy -- Conclusion -- Bibliography -- Index Sommario/riassunto This book presents a close look at the growth, success, and proliferation of ethnic politics on the peripheries of modern South Asia, built around a case study of the Nepal ethnic group that lives in the borderlands of Sikkim, Darjeeling, and east Nepal. Grounded in historical and ethnographic research, it critically examines the relationship between culture and politics in a geographical space that is home to a diverse range of ethnic identities, showing how new modes

emerged from the region.

of political representation, cultural activism, and everyday politics have
