Sommario/riassunto	How often have you looked up an English word in a German dictionary only to be confronted by a bewildering array of German equivalents? Which is the correct word for the context in question? Thirty years' experience in teaching Germanic languages at tertiary level to English-speaking students have made the author acutely aware of this problem. Mastering German Vocabulary explains how to use over 2,200 common German words correctly, using example sentences in German with English translations. In order to aid quick consultation, all German and English words are listed in separate
