Sommario/riassunto	This is a compact and convenient guide to learning the Kansai dialect of the Japanese language Mado, mado and welcome to the Kansai region of western Japan. Whether visiting or living in this area, you will quickly notice the locals aren't speaking standard Japanese taught in textbooks and classrooms. The language on the streets is Kansai-ben: a dialect said to be earthier and more direct, but with its own polite language. With clear explanations of grammar, a Kansai-ben dictionary, and a helpful index, Colloquial Kansai Japanese is an indispensable
