Sommario/riassunto

Occupy Wall Street protests have spread around the world, with a common slogan of "We are the 99%." But there is a great deal of confusion and misperception about this movement. This book clarifies the who, what, when, where, why, and how of this movement. It provides profound insight into the movement's power, messages, significance, methods, and impact. The editors of YES! Magazine bring together voices from inside and outside the protests to show how the meaning and impact of this movement are much bigger and more far-reaching than is being reported. The central thesis of this book is "This
