Sommario/riassunto	Requiem for the Ego recounts Freud's last great attempt to 'save' the autonomy of the ego, which drew philosophical criticism from the most prominent philosophers of the period-Adorno, Heidegger, and Wittgenstein. Despite their divergent orientations, each contested the ego's capacity to represent mental states through word and symbol to an agent surveying its own cognizance. By discarding the subject-object divide as a model of the mind, they dethroned Freud's depiction of the ego as a conceit of a misleading self-consciousness and a faulty metaphysics. Freud's inquisitors, while employing di
