| Sommario/riassunto | ""The publication of Implementing Culture Change in Long-Term Care marks the beginning of a new era in the aging services profession. This book is the Rosetta Stone of the culture change movement. Dr. Jurkowski's skillful blend of theory, research, and practice addresses the movement's most urgent needs and makes the work of culture change advocates accessible to a broader and more influential audience....This book is the future in paper and ink."" . From the Foreword by Bill Thomas , MD. Founder of the Eden Alternative and the Green House Project. This text offers a strategic approach for prom |
