Sommario/riassunto	Cosmopolitanism is the idea of humanity as a single community or polis. Beyond particularities, all human beings (and in some versions of cosmopolitanism certain non-humans) are part of a community, and have responsibilities, rights and the power to decide on a common future. Ideas of cosmopolitan vary from the purely moral to cultural, social, legal, institutional, political, educational and economic cosmopolitanism, or combine some or all of these facets. All of these different perspectives try to establish the basis necessary to create a true cosmopolitanism. This book provides an introducti
