The meaning of the constructions; References; Index of subjects and names; Index of verbs pt. 1. Introduction and overview -- pt. 2. Particle verb constructions -- pt. 3. Prefixed verb constructions -- pt. 4. Comparisons and conclusions.
Sommario/riassunto	This is really two books in one: a valuable reference resource, and a groundbreaking case study that represents a new approach to constructional semantics. It presents a detailed descriptive survey,

using extensive examples collected from the Internet, of German verb constructions in which the expressions durch ('through'), über ('over'), unter ('under'), and um ('around') occur either as inseparable verb prefixes or as separable verb particles. Based on that evidence, the author argues that the prefixed verb constructions and particle verb constructions themselves
