Nota di contenuto	section 1. Pedagogy in physical education and youth sport -- section 2. Children and young people : diverse learners in physical education and youth sport -- section 3. Being professional teacher or coach in physical education and youth sport.
Sommario/riassunto	Sport Pedagogy offers an essential starting point for anyone who cares about sport, education and young people. It offers invaluable theoretical and practical guidance for studying to become an effective teacher or coach, and for anyone who wants to inspire children and young people to engage in and enjoy sport for life. The book also focuses on you as a learner in sport, prompting you to reflect critically on the ways in which your early learning experiences might affect your ability to diagnose the learning needs of young people with very different needs. <
