Sommario/riassunto	Learn OECD guidance on business taxation in multiple countries A business that is not aware of all of its exposure to the tax policy of each country in which it does business may find itself paying more in taxes than the share of profit it generates. The Organisation for Economic Co-operation and Development (OECD) seeks to reduce the risk of business taxation in multiple countries. Transfer Pricing Handbook explores how countries can apply the OECD Guidelines to tax businesses that conduct their endeavors in more than one country. It is the ultimate comprehensive guide for com
