Sommario/riassunto	""[W]e must tell the story of how social insurance programs have assured basic economic and health security for millions of Americans . This book is a must-read for anyone who cares about these goals."" - From the Foreword by Barbara Kennelly. President and CEO,. National Committee to Preserve Social Security and Medicare. This politically charged, provocative text serves as an introduction to social insurance programs, examining all aspects of these hotly debated policies. The editors cover cutting-edge topics, including Social Security and privatization, universal health insurance, and how Am
