Sommario/riassunto	This book is part of a larger effort undertaken by the World Bank to understand the development experience of the 1990's, an extraordinary eventful decade. Each of the project's three volumes serves a different purpose. Development Challenges in the 1990's: Leading Policymakers Speak from Experience offers insights on the practical concerns faced by policymakers, while At the Frontlines of Development: Reflections from the World Bank considers the operational implications of the decade for the World Bank as an institution. This volume, Economic Growth in the 1990's: Learning from a Decade of Refo
