The Dynamics of Poverty in the District of Columbia; Chapter 12. Communicating Liberation in Washington, D.C.; Chapter 13. Conclusion; Index; About the Authors |
| Sommario/riassunto | This volume conveys a critique of the mayors of Washington, D.C since 1968 and an analysis of public policies that have confronted D.C. since |

congress granted limited Home Rule. This analysis of public policy problems and assessment of contemporary mayors should be of interest across disciplines-political science, urban studies and public policy.
