Sommario/riassunto	The aim of this work is to share information on two very interesting, yet debatable issues within the field of Translation Studies, namely gender and translation, in an attempt to bridge the gap between theory and practice. Given the important relationship between translation and gender since the beginning of the theoretical debate in Feminist Translation Studies, the aim of this edited volume is to determine and analyse how this relationship has been approached in different countries, not only in Europe, but also worldwide. Feminist translation is undoubtedly a very interesting and widespread
