Communal Christian Identities -- 7 Postscript: Multicultural Missions in Global Context -- Bibliography -- Index.

Sommario/riassunto

Exploring how Christianity became a world religion, this brief history examines Christian missions and their relationship to the current globalization of Christianity. A short and enlightening history of Christian missions: a phenomenon that many say reflects the single most important intercultural movement over a sustained period of human history Offers a thematic overview that takes into account the political, cultural, social, and theological issues Discusses the significance of missions to the globalization of Christianity, and broadens our understanding of Christianity as a multicultural world religion Helps Western audiences understand the meaning of mission as a historical process Contains several new maps that illustrate demographic shifts in world Christianity.
