

1. Record Nr.	UNINA9910814612603321
Titolo	Child and adolescent health and development // editors, Donald A.P. Bundy, Nilanthy de Silva, Susan Horton, Dean T. Jamison, George C. Patton
Pubbl/distr/stampa	Washington, DC : , : World Bank Group, , [2017] c2017
Edizione	[Third edition.]
Descrizione fisica	1 online resource (xix, 481 pages) : color illustrations ; ; 28 cm
Collana	Disease control priorities ; ; volume 8
Disciplina	613.0433
Soggetti	Health behavior in adolescence Health behavior in children Children - Health and hygiene
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	More children born today will survive to adulthood than at any time in history. It is now time to emphasize health and development in middle childhood and adolescence-- developmental phases that are critical to health in adulthood and the next generation. This publication explores the benefits that accrue from sustained and targeted interventions across the first two decades of life. The volume outlines the investment case for effective, costed, and scalable interventions for low-resource settings, emphasizing the cross-sectoral role of education. This evidence base can guide policy makers in prioritizing actions to promote survival, health, cognition, and physical growth throughout childhood and adolescence.--
