Sommario/riassunto	The book focuses on how Wittgenstein and Gadamer treat language in their accounts of language as game and their major writings on the subject - Philosophical Investigations and Truth and Method, respectively. Chris Lawn goes on to offer a critique of Wittgenstein's account of linguistic rules, drawing upon Gadamer's philosophical hermeneutics, particularly his emphasis upon tradition, temporality, historicality and novelty. The text demonstrates how paying attention to such elements - excluded by Wittgenstein's conception of rules - in fact strengthens Wittgenstein's position from a her
