Legacies of Munich and Vietnam for the Post-Cold War World; 10. Using Force, Thinking History; Notes; Bibliography; Index; About the Author
Sommario/riassunto	In examining the influence of historical analogies on decisions to use--or not use--force, military strategist Jeffrey Record assesses every major application of U.S. force from the Korean War to the NATO war on Serbia. Specifically, he looks at the influence of two analogies: the democracies? appeasement of Hitler at Munich and America's defeat in the Vietnam War. His book judges the utility of these two analogies on presidential decision-making and finds considerable misuse of them in situations where force was optional. He points to the Johnson administration's application of the Munic
