Sommario/riassunto	<P>Classical singing training is no longer relevant for the theatre performer today. So how does an actor train his singing voice? </P> <P>Now in its second edition, this practical handbook takes the reader through <B>a step-by-step training programme relevant to the modern singing actor and dancer</B>. A variety of contemporary voice qualities including belting and twang are explained, with exercises for each topic. </P>
