Expectations: effects of curriculum change as viewed by children, parents and practitioners; CONCLUSION; Chapter 11. Bridging research, policy and practice; Index; Back Cover
Sommario/riassunto	Explores early transitions from a variety of international perspectives. This book examines issues such as: parental involvement in the transition to school; children's voices on the transition to primary

school; and the construction of identity in the early years. It is aimed at early years students, practitioners, policy makers and researchers.
