Sommario/riassunto

Negotiating Statehood: Dynamics of Power and Domination in Africa provides a conceptual framework for analysing dynamic processes of state-making in Africa. Features a conceptual framework which provides a method for analysing the everyday making, contestation, and negotiation of statehood in contemporary AfricaConceptualizes who negotiates statehood (the actors, resources and repertoires), where these negotiation processes take place, and what these processes are all aboutIncludes a collections of essays that provides empirical and analytical
