Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction: The One Who Got Away, and the One Who Didn't -- In the Court of the Emerald King -- Lines of Power -- Boom Times -- Hard Times -- Public Works -- A Choice of Enemies -- Decline and Fall -- Epilogue: The Machines That Didn't Stopages.
Sommario/riassunto	One man was tongue-tied and awkward around women, in many ways a mama's boy at heart, although his reputation for thuggery was well earned. The other was a playboy, full of easy charm and ready jokes, his appetite for high living a matter of public record. One man tolerated gangsters and bootleggers as long as they paid their dues to his organization. The other was effectively a gangster himself, so crooked that he hosted a national gathering of America's most ruthless killers. One man never drank alcohol. The other, from all evidence, seldom drank anything else. American Dictators is the dual biography of two of

America's greatest political bosses: Frank Hague and Enoch "Nucky" Johnson. Packed with compelling information and written in an informal, sometimes humorous style, the book shows Hague and Johnson at the peak of their power and the strength of their political machines during the years of Prohibition and the Great Depression. Steven Hart compares how both men used their influence to benefit and punish the local citizenry, amass huge personal fortunes, and sometimes collaborate to trounce their enemies. Similar in their ruthlessness, both men were very different in appearance and temperament. Hague, the mayor of Jersey City, intimidated presidents and wielded unchallenged power for three decades. He never drank and was happily married to his wife for decades. He also allowed gangsters to run bootlegging and illegal gambling operations as long as they paid protection money. Johnson, the political boss of Atlantic City, and the inspiration for the hit HBO series Boardwalk Empire, presided over corruption as well, but for a shorter period of time. He was notorious for his decadent lifestyle. Essentially a gangster himself, Johnson hosted the infamous Atlantic City conference that fostered the growth of organized crime. Both Hague and Johnson shrewdly integrated otherwise disenfranchised groups into their machines and gave them a stake in political power. Yet each failed to adapt to changing demographics and circumstances. In American Dictators, Hart paints a balanced portrait of their accomplishments and their failures.
