Sommario/riassunto	Providing new insights into women's struggle for equality, this historical study shows the true story of the women of old Montana. With few career options available in the 19th century, many of the most independent and enterprising women turned to the world's oldest

profession for a lucrative source of income. Author Lael Morgan brings to life the lively and eccentric characters who tamed the West's wildest region from the time of the gold rush to the election of the first woman to U.S. Congress: Chicago Joe, with her addiction to handsome
