Titolo	Accessibility or reinventing education / / edited by Serge Ebersold
Pubbl/distr/stampa	Hoboken, New Jersey : , : John Wiley and Sons Inc, , [2021] ©2021
ISBN	1-119-81793-5 1-119-81794-3
Descrizione fisica	1 online resource (254 pages) : illustrations
Disciplina	379.26
Soggetti	Children with disabilities - Education Educational equalization
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Cover -- Half-Title Page -- Title Page -- Copyright Page -- Contents -- Introduction -- PART 1 Accessibility as a Societal Imperative -- 1. The Accessibility Imperative: Outlines and Implications -- 1.1. Introduction -- 1.2. Accessibility, or school as a social protection vector -- 1.3. Accessibility, an imperative focused on the ergonomization of practices -- 1.3.1. Preventing vulnerabilities through a universal approach to accessibility -- 1.3.2. An integrated approach to accessibility targeting the fight against educational failure -- 1.3.3. A corrective approach to accessibility aimed at restoring school legitimacy -- 1.4. An ergonomization of practices related to the fight against institutional discrimination -- 1.5. Accessibility, or the advent of new forms of normativity -- 1.6. Conclusion -- 1.7. References -- 2 Inclusion and Accessibility: 50 Years of Change -- 2.1. Introduction -- 2.2. Developing a continuum of support for promoting accessible learning environments -- 2.3. Developing accessible learning environments -- results of international case studies -- 2.3.1. Recognizing and planning for diversity -- 2.3.2. Using evaluation for improvement -- 2.3.3. Professional development of staff -- 2.3.4. External support services -- 2.3.5. Within-school services -- 2.3.6. Co- operation between schools -- 2.3.7. Parental and community involvement -- 2.3.8. Whole-school development organization and

management strategies -- 2.3.9. Curriculum development -- 2.3.10. Classroom organization -- 2.4. Promoting accountable education systems supporting accessible learning environments -- 2.5. Conclusion -- 2.6. References -- 3 Accessibility Requirements and Evaluation Policies -- 3.1. Introduction -- 3.2. New governance of education systems based on performance and social justice -- 3.3. Evaluation: intellectual movements and political discourse. 3.4. Assessment policies and the accessibility imperative -- 3.5. Conclusion -- 3.6. References -- PART 2 How Do Schools Meet the Accessibility Imperative? -- 4 Educational Accessibility: A Catalyst for Innovative Practices -- 4.1. Introduction -- 4.2. The heuristics of innovative teaching practices -- 4.2.1. The catalytic potential of innovative forces and practices -- 4.3. School environments and the pedagogical imperative of accessibility -- 4.3.1. The grouping of learners -- 4.3.2. The grouping of professionals -- 4.3.3. The planning of learning and its collocation over time -- 4.3.4. Pedagogies and assessment practices -- 4.4. Collaboration and accessibility: beyond "mainstream" and "special" -- 4.4.1. An emergency condition -- 4.5. References -- 5 School Form and Pedagogical and Didactic Accessibilization -- 5.1. Introduction -- 5.2. Characteristics of the school form -- 5.3. Practical ways of making school situations more accessible -- 5.3.1. Study aid gestures -- 5.3.2. The use of digital tools -- 5.3.3. Pedagogical and didactic adaptations -- 5.4. Elements for reflection on a model of analysis of teachers' gestures and postures with a view to accessibilization -- 5.5. Conclusion -- 5.6. References -- 6 The Contribution of ICT to Accessible Learning Environments -- 6.1. Introduction -- 6.2. Clarifications on the terminology -- 6.3. ICT to develop accessible learning environments - more than a purchasing decision -- 6.4. Embedding ICT in educational organizations to promote accessible learning environments -- 6.5. The transformation of teaching -- 6.6. Learners becoming accountable for their learning -- 6.7. Conclusion -- 6.8. References -- 7 The Reconfiguration of the Teaching Profession within the Dynamics of Accessibility -- 7.1. Introduction -- 7.2. From the "special" professional to the educational accessibility professional. 7.3. A new professionalism that reconfigures teaching legitimacy -- 7.4. New dimensions of the profession -- 7.5. Teachers' requests and concerns -- 7.6. Conclusion: new issues, new questions -- 7.7. References -- PART 3 Accessibility, or Reconfiguration of Academic Difficulties -- 8 Modes of Accessibilization and the Redefinition of Schooling in Accessibility -- 8.1. Introduction -- 8.2. Accessibility as a source of democratization through compensatory policies? -- 8.3. Accessibility as a source of efficiency and equity, in the name of combating exclusion? -- 8.4. Accessibility as a source of inclusion, to maximize opportunities? -- 8.4.1. A profusion of categories and devices -- 8.4.2. An individualizing and essentializing reading of school productions -- 8.4.3. Transformation of the curriculum and school culture -- 8.5. Conclusion -- 8.6. References -- 9 Externalized Teaching Units: A Tool for Making School Institutions More Accessible? -- 9.1. Introduction -- 9.2. Making the school environment more accessible through subcontracting -- 9.3. Hierarchical access to the facility -- 9.4. Conclusion -- 9.5. References -- 10 Social Figures of Allophony, Approaches to Accessibility and Social Inequalities -- 10.1. Introduction -- 10.2. Two approaches to accessibility: a dual staging of school legitimacy -- 10.3. The principles of justice underlying the various approaches to school accessibility -- 10.4. Conclusion: accessibilization strategies as a source of educational inequalities -- 10.5. References -- 11 The Grammar of Accessibility -- 11.1.

Introduction -- 11.2. Access as social visibility -- 11.2.1. Access as "taking part" -- 11.2.2. Access as "being part" -- 11.2.3. Access as "acting on" -- 11.2.4. Access as a "sense of existing" -- 11.3. Accessibility as social legibility -- 11.3.1. A finalist approach to the concept of accessibility. 11.3.2. A procedural approach to the concept of accessibility -- 11.3.3. An ergonomic approach to the concept of accessibility -- 11.4. The concept of accessibilization as social legitimacy -- 11.4.1. Accessibilization refers to the institutional legitimization of facilities -- 11.4.2. Accessibilization builds upon the legitimization of the schooling process -- 11.4.3. Accessibilization results from the driving force of conventions -- 11.4.4. Accessibilization is correlated with agents' art of creating -- 11.5. Conclusion -- 11.6. References -- List of Authors -- Index -- EULA.

## Sommario/riassunto

This open access textbook leads the reader from basic concepts of chromatin structure and function and RNA mechanisms to the understanding of epigenetics, imprinting, regeneration and reprogramming. The textbook treats epigenetic phenomena in animals, as well as plants. Written by four internationally known experts and senior lecturers in this field, it provides a valuable tool for Master- and PhD- students who need to comprehend the principles of epigenetics, or wish to gain a deeper knowledge in this field. After reading this book, the student will: Have an understanding of the basic toolbox of epigenetic regulation; Know how genetic and epigenetic information layers are interconnected; Be able to explain complex epigenetic phenomena by understanding the structures and principles of the underlying molecular mechanisms; Understand how misregulated epigenetic mechanisms can lead to disease.
