

1. Record Nr.	UNINA9910815144703321
Autore	Habley Wesley R
Titolo	Increasing persistence : research-based strategies for college student success // Wesley R. Habley, Jennifer L. Bloom, Steve Robbins
Pubbl/distr/stampa	San Francisco, : Jossey-Bass, 2012
ISBN	1-118-23484-7 1-280-87268-3 9786613713995 1-118-22108-7
Edizione	[1st ed.]
Descrizione fisica	1 online resource (513 p.)
Classificazione	EDU015000
Altri autori (Persone)	BloomJennifer L RobbinsSteven B
Disciplina	378.1/69130973
Soggetti	College dropouts - United States - Prevention
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	section 1. What do we know about retention and persistence to degree? -- section 2. The case for intensified campus efforts -- section 3. Core components of student success -- section 4. Proven student success practices -- section 5. Making student success a priority.
Sommario/riassunto	"This groundbreaking book offers a compendium on college student persistence that bridges the gap between concept, theory, and research to successful practice. The book is anchored by the American College Testing organization's What Works in Student Retention survey of 1,100 colleges and universities, which provides insights on the causes of attrition and identifies retention interventions most likely to enhance student persistence. It also includes decision-makers and practitioners with evidence-based interventions and best practices for improving student persistence"--
