Sommario/riassunto	Lacan in Public argues that Lacan's contributions to the theory of rhetoric are substantial and revolutionary and that rhetoric is in fact the central concern of Lacan's entire body of work. Scholars typically cite Jacques Lacan as a thinker primarily concerned with issues of desire, affect, politics, and pleasure. Scholars who identify themselves as rhetoricians have rarely cited Lacan as a significant influence in their own field. Though Lacan explicitly contends with some of the pivotal thinkers in the field of rhetoric (Aristotle, Cic
