'Came Back - Didn't Come Home': Returning from a War Zone -- APPENDIX -- LIST OF CONTRIBUTOR -- SUBJECT INDEX -- AUTHOR INDEX -- Back cover.
Sommario/riassunto	This book demonstrates how the non-verbal medium of art therapy provides an ideal outlet for the expression of thoughts and feelings that are too complex and painful to put into words, presenting a new

and practical approach to dealing with this area of need. Marian Liebmann argues that clients of all ages will benefit from the art-making process.
