LIVING IN A CONSUMERIST CULTURE

RETHINKING DURKHEIM'S THEORY ON SUICIDE CONTRIBUTORS

Sommario/riassunto

Welfare is a multidimensional concept characterizing the state of the individual or a group. It includes a subjective component (self-assessment) and an objective component (external assessment) of material, physical, emotional and social dimensions. Given the current changes of the socio-economical environment, this concept is assuming a prominent role in the agenda of the social sciences. Social work focuses on studying welfare in developing programs and delivering interventions with the hi...
