Bracken -- The spectacle and the partisan / Jeff Kinkle -- Targeting
journalists and media in the new world order / Stig A. Nohrstedt and
Rune Ottosen.

Sommario/riassunto

This volume presents a practical demonstration of the relevance of Carl Schmitt's thought to parapolitical studies, arguing that his constitutional theory is the one best suited to investigating the 'deep state' with intellectual and doctrinal coherence. At the same time, the book also doubles as a thoroughgoing critique of Schmitt's intellectual legacy from a parapolitical perspective; namely, that the pluralistic, heterogeneous, and fragmentary nature of the parapolitical national security complex operates to subvert the total and monist notion of the State and of sovereignty that are central to
