Sommario/riassunto	The Church of God Reformation Movement (founded in 1881) has the distinction of having been founded on the two core principles of holiness and visible unity. Standard histories of the group proudly argue that the founder and pioneers exhibited a zeal for interracial unity that began to wane only in the early years of the twentieth century. This book rejects that claim and argues instead that little to no extant hard evidence supports that view. Moreover, Making Good the Claim argues that while blacks eagerly joined the group, they did so not because whites expended much energy evangelizing amo
