Comerford , Gary W.

Jenkins and W.J. Torrance Kirby.

Sommario/riassunto

From Rome to Zurich, between Ignatius and Vermigli brings notable scholars from the fields of Reformation and Early Modern studies to honor their friend, mentor, and colleague, John Patrick Donnelly with essays commensurate with his own broad interests and scholarship. Touching Protestant scholasticism, Reformation era life writing, Reformation polemics – both Protestant and Catholic – and with several on theology proper, inter alia, the essays collected here by a group of international scholars break new ground in Reformation history, thought, and theology, providing fresh insights into current scholarship in both Reformation and Catholic Reformation studies. The essays take in the broad scope of the 16th century, from Thomas More to Martin Bucer, and from Thomas Stapleton to Peter Martyr Vermigli. Contributors include: Emidio Campi, Maryanne Cline Horowitz, A. Lynn Martin, Thomas McCoog, SJ, Joseph McLelland, Richard A. Muller, Eric Parker, Robert Scully, SJ, and Jason Zuidema
