Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction : "Be an other's, be an other" : a personal perspective -- Beyond appropriation : reclaiming the revolutionary Amichai -- "In the narrow between" : Amichai's poetic system -- "I want to mix up the Bible" : intertextuality, agency, and the poetics of radical allusion -- Celebrating mediation : the poet as translator -- Living on the hyphen : the necessary metaphor -- Double agency : Amichai and the problematics of generational literary historiography.
Sommario/riassunto	'The Full Severity of Compassion' is both a modular retrospective of Yehuda Amichai's poetic project and a reassessment - by attending closely to the theory embedded in the poetry - of major issues in contemporary literary studies, from the politics of form to radical allusion, and from metaphor to translation.
