Sommario/riassunto	The Scopes Monkey Trial, the Sacco and Vanzetti case, Brown v the Board of Education, and even subsequent televised high profile murder trials pale in comparison to Arizona v California, argues author Jack August in <i>Dividing Western Waters</i> , August's look at Arizona's Herculean legal and political battle for an equitable share of the Colorado River. To this day Arizona v California is still influential. By the time Mark Wilmer settled in the Salt River Valley in the early 1930's, he realized that four basic commodities made possible
