The Criminal Justice System: Prisons and Imprisonment; References; Index
Sommario/riassunto	This book provides students with a comprehensive and engaging introduction to the study of criminology by taking an interdisciplinary approach to explaining criminal behaviour and criminal justice. It is divided into two parts, which address the two essential bases that form the discipline of criminology. Part One describes, discusses and evaluates a range of theoretical approaches that have offered explanations for crime. Part Two offers an accessible but detailed

review of the major philosophical aims and sociological theories of punishment, and examines the main areas of the contemporary
