Sommario/riassunto

What is community interpreting? What are the roles of the community interpreter? What are the standards, evaluation methods and accreditation procedures pertaining to community interpreting? What training is available or required in this field? What are the current issues and practices in community interpreting in different parts of the world? These key questions, discussed at the first international conference on community interpreting, are addressed in this collection of selected conference papers. The merit of this volume is that it presents the first comprehensive and global view of a
