Sommario/riassunto

Studying from the Mycenaean to the late Hellenistic period, this work includes new articles by twenty-seven specialists of ancient Greece, and presents an examination of the Greek cultures of mainland Greece, Asia Minor, Egypt and Italy. With the chapters sharing the theme of social history, this fascinating book focuses on women, the poor, and the slaves - all traditionally seen as beyond the margins of power and includes the study of figures who were on the literal margins of the Greek world. Bringing to the forefront the research into areas previously thought of a
