Includes bibliographical references (p. [379]-409) and index. Nota di bibliografia Theorizing religion -- The Protestant revolution -- Subjectivity and Nota di contenuto modernity -- Religious secularity -- Eclipse of the real -- Recovering the real -- Religion without God -- Ethics without absolutes. Religion, Mark C. Taylor argues in After God, is more complicated than Sommario/riassunto either its defenders or critics think and, indeed, is much more influential than any of us realize. Our world, Taylor maintains, is shaped by religion even when it is least obvious. Faith and value, he insists, are unavoidable and inextricably interrelated for believers and nonbelievers alike. The first comprehensive theology of culture since the pioneering work of Paul Tillich, After God redefines religion for our contemporary age. This volume is a radical reconceptualization of

religion and Taylor's most pathbreaking work
