Sommario/riassunto	A revolution is stirring in America. Across the nation cities and metropolitan areas, and the networks of pragmatic leaders who govern them, are taking on the big issues that Washington won't, or can't, solve. They are reshaping our economy and fixing our broken political system. The Metropolitan Revolution is a national movement, and the book describes how it is taking root in New York City, where efforts are under way to diversify the city's vast economy; in Portland, Oregon, which is selling the ""sustainability"" solutions it has perfected to other cities aro
