Conclusions -- APPENDIX A: Critique of Texts -- APPENDIX B: Handlist of Relic Thefts -- Notes -- Bibliography -- Index
Sommario/riassunto	To obtain sacred relics, medieval monks plundered tombs, avaricious merchants raided churches, and relic-mongers scoured the Roman catacombs. In a revised edition of <i>Furta Sacra</i> , Patrick Geary considers the social and cultural context for these acts, asking how the relics were perceived and why the thefts met with the approval of medieval Christians.
