Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	<p>"Understanding Dave Eggers surveys the work of one of the most celebrated American authors of the twenty-first century and is the first book-length study incorporating Eggers's novels, short-story collections, and film scripts. With a style aimed at students and general readers alike, Timothy W. Galow offers a textual analysis that uniquely combines Eggers's early autobiographical works and the subject of celebrity as well as his later texts that deal with humanitarian issues. Galow devotes a chapter to each of Eggers's major works, from his first book, the Pulitzer Prize-nominated memoir, <i>A Heartbreaking Work of Staggering Genius</i>, through his recent novel, <i>A Hologram for the King</i>, a National Book Award finalist about an aging American businessman chasing success in Saudi Arabia. Other chapters cover <i>You Shall Know Our Velocity</i>, <i>What Is the What</i>, and <i>Zeitoun</i>. Each chapter studies the major themes and styles of the featured work while also placing it in the context of Eggers's oeuvre. In this way Galow examines each text in its own right, but he also offers us a larger guide to all of Egger's work. Providing important historical background for understanding Eggers's literary work, Galow examines how Eggers's texts are deeply invested in both his own public persona and the changing cultural conditions in the United States over the past twenty years. Galow's careful analysis is conveyed in clear language that engages issues important to</p>

contemporary critics without being pedantic or jargon laden. As a result Understanding Dave Eggers can serve as a useful introduction to the author's work or a valuable resource for the devoted reader"--
