ISBN	1-282-86071-2 9786612860713 0-7735-7055-1
Descrizione fisica	1 online resource (246 pages)
Disciplina	327.71073
Soggetti	POLITICAL SCIENCE / General United States Foreign relations Canada Canada Foreign relations United States United States Foreign relations 1963-1969 Canada Foreign relations 1945-
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (pages [219]-229) and index.
Nota di contenuto	Front Matter -- Contents -- Acknowledgments -- Introduction -- An Unsteady Start -- A Continental Philosophy -- Converging Currencies -- Defending the Deterrent -- The Asian Conundrum -- Containing the New Nationalists -- Conclusion -- Notes -- Bibliography -- Index
Sommario/riassunto	Tolerant Allies draws extensively on recently declassified Canadian and American sources to explore the most important political, economic, and military elements in the bilateral relationship during the 1960s. Greg Donaghy challenges the prevailing view that relations during this turbulent decade were primarily marked by mutual hostility, the product of growing Canadian nationalism and differences over the war in Vietnam. Instead Donaghy argues that through the Autopact and the GATT, Canada and the United States crafted a new economic partnership that tied the two countries together more tightly than ever before. Donaghy shows that economic integration was offset to some extent by diverging views on Western political and military strategy. As Pearson's government pursued distinct foreign and defence policies, American policy-makers acknowledged that Canadian objectives

legitimately differed from their own and adjusted their policies accordingly. For its part, Ottawa rarely moved without weighing the impact its initiatives might have on Washington. As a result, Canada and the United States found ways to accommodate each other's interests without seriously impairing bilateral cooperation.
