

1. Record Nr.	UNINA9910815783803321
Autore	Shearer Tobin Miller
Titolo	Two weeks every summer : fresh air children and the problem of race in America / / Tobin Miller Shearer
Pubbl/distr/stampa	Ithaca, New York ; ; London, [England] : , : Cornell University Press, , 2017 ©2017
ISBN	1-5017-0845-7 1-5017-0846-5
Descrizione fisica	1 online resource (pages cm)
Collana	American Institutions and Society
Disciplina	362.71
Soggetti	Fresh-air charity - United States African American children - Social conditions Race relations - United States United States Race relations
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Frontmatter -- Contents -- Preface -- Acknowledgments -- Introduction -- 1. Knowledge, Girl, Nature -- 2. Church, Concrete, Pond -- 3. Grass, Color, Sass -- 4. Sex, Seven, Sick -- 5. Milk, Money, Power -- 6. Greeting, Gone, Good -- Epilogue -- Appendix 1. Fresh Air Organizations -- Appendix 2. Documented Fresh Air Hosting Towns, 1939-1979 -- Notes -- Bibliographic Note -- Index
Sommario/riassunto	Two Weeks Every Summer, which is based on extensive oral history interviews with former guests, hosts, and administrators in Fresh Air programs, opens a new chapter in the history of race in the United States by showing how the actions of hundreds of thousands of rural and suburban residents who hosted children from the city perpetuated racial inequity rather than overturned it. Since 1877 and to this day, Fresh Air programs from Maine to Montana have brought inner-city children to rural and suburban homes for two-week summer vacations. Tobin Miller Shearer brings to the forefront of his history of the Fresh Air program the voices of the children themselves through letters that they wrote, pictures that they took, and their testimonials. Shearer

offers a careful social and cultural history of the Fresh Air programs, giving readers a good sense of the summer experiences for both hosts and the visiting children. By covering the racially transformative years between 1939 and 1979, Shearer shows how the rhetoric of innocence employed by Fresh Air boosters largely served the interests of religiously minded white hosts and did little to offer more than a vacation for African American and Latino urban youth. In what could have been a new arena for the civil rights movement, white adults often overpowered the courageous actions of children of color. By giving white suburbanites and rural residents a safe race relations project that did not require adjustments to their investment portfolios, real estate holdings, or political affiliations, the programs perpetuated an economic order that marginalized African Americans and Latinos by suggesting that solutions to poverty lay in one-on-one acts of charity.
